

Stay Safe Online — Checklist for College Students

General Online Safety Tips

- Use **strong, unique passwords** for each account (avoid using your name or birthdate).
 - Enable **two-factor authentication (2FA)** on email, social media, and banking apps.
 - Never click on **suspicious links** from unknown emails, SMS, or WhatsApp messages.
 - Verify website URLs (look for **https://** and correct spelling) before entering details.
 - Avoid using **public Wi-Fi** for logging into important accounts or making transactions.
 - Keep your devices updated with the **latest software and antivirus protection**.
-

UPI & Financial Safety Tips (Very Important)

- Never share your **OTP, UPI PIN, or bank details** with anyone—even if they claim to be from the bank.
 - Remember: **You do NOT need to enter your UPI PIN to receive money.**
 - Double-check the **receiver's name and UPI ID** before making payments.
 - Avoid scanning unknown **QR codes**—they may lead to fraud.
-

If Something Goes Wrong

- Immediately report fraud at 🖱️ **National Cyber Crime Portal:**
<https://cybercrime.gov.in>
- Call the **Cyber Crime Helpline: 1930** (for quick action in financial fraud cases)
- Inform your bank/app and block your account if needed
